

I

I go to be close to Kāiiki; leave it alone,
Gentle and mild are its inhabitants; leave it alone,
Be careful how you treat us; leave it alone,
Leave it alone.

II

What does Kaukaopua do? leave it alone,
We slip and slide all the way; leave it alone,
There the mind becomes entranced, leave it alone,
It stirs the lands of Piilani, leave it alone,
Leave it alone.
